

## REPORTS FOR THE ASDSC BOARD MEETING – JUNE 11, 2006

Submitted by Bonnie Abramson & Bob Kamuf

### YOUTH

**California Scholarship** - Unfortunately, there were no applicants for the 2006 Scholarship so none was given out. Everyone is encouraged to promote this scholarship to our youth dancers and encourage them to apply. Applications can be downloaded for the Council's website, [www.squaredance.org](http://www.squaredance.org).

**Youth Competition** - The 6<sup>th</sup> Annual Youth Square Dance Competition took place on Saturday, April 22<sup>nd</sup> at the California State Convention in Ventura. Three squares of youth dancers participated and local dancer Heidi Jellesed was a member of the winning square.

**Family Jamboree** - Information is available on the 1<sup>st</sup> Annual Family Square Dance Jamboree scheduled for August 4<sup>th</sup>-5<sup>th</sup> at Cedarbrook Dance Center and Disneyland. Everyone is welcome to attend, whether they are dancers or not. Registration flyers can be downloaded from either the Council's website or the ASDSC website.

**Camping at Festivals** - Something new that was tried at the State Convention in Ventura was to invite all the families with kids the opportunity to camp together. Jesse & Cheryl May of Orange County spearheaded this idea and coordinated a pancake breakfast on Saturday morning and a bbq dinner on Saturday night. It was a great opportunity for the youth dancers from different areas to get a chance to play together and the parents to get to know each other. Everyone who participated were very glad this opportunity was given to them and the State Youth Committee is encouraging all festivals to try to set aside an area devoted to families then give the campers to option to camp with their own clubs or with the youth dancers.

**National Convention** - There will be several California dancers at the National Convention in San Antonio, TX, later this month. Most recent counts show California with the second highest advance registration participation. California Youth Dancers will be hosting one of the after parties at the Convention, and Bonnie Abramson will be a speaker on youth dancing for one of the educational panels during the convention.

**Fun Weekend** - Youth dancers are highly encouraged to attend Fun Weekend as there are a lot of activities planned for them (and everyone else!) There are also more an more youth activities being planned at the various festivals around the state.

## **REPORTS FOR THE ASDSC BOARD MEETING – JUNE 11, 2006**

**Submitted by Bonnie Abramson & Bob Kamuf**

### **HARVEST HOEDOWN**

Plans have been moving right along and our displays have been up at the State Convention, Silver State in Reno, Golden State Round-up in San Ramon and other events. Bob and Bonnie will be taking the display to the National Convention in San Antonio.

Dancers are encouraged to register today as we have a weekend full of events planned.

The Treasurer's report has been sent under separate cover.

Our next committee meeting will take place on July 9<sup>th</sup> following the Board & Delegates meeting.

### **STATE FAIR**

We just received word on Friday that our dance date at the State Fair will be Sunday, August 27<sup>th</sup> from 3:00 p.m. to 4:45 p.m. All other terms will be the same as previous years - admission will be at any of the regular admission gates with your club badge; and all dancers will need to submit their full names, birthdates and driver's license numbers to comply with the Megan's Law requirements. Dancing will take place on the Center Court Stage which is up at Expo Center. Bonnie had requested our traditional Saturday date and time, and to be on the Kitchen Craft Stage, however these requests were denied as the fair has special promotions/events planned for the other dates. Bonnie accepted what we were offered and figured we would just need to make the best of it. She will now work on finding callers and cuers to participate in the event. Complete details will be available at the July Delegates meeting but please ask all dancers to mark the Sunday date on the calendar and make everyone aware that this is a change from our normal pattern. A decision will have to be made about the other events we traditionally hold in conjunction with our Progressive Squares Date events, including dancing at the Downtown Mall and Sunrise Mall.
