**Meeting of the By-Laws Committee:**

The By-laws review committee met on January 8, 2007. After much discussion and the amount of changes that the Board has requested to make, it will take much longer than just one meeting. The By-Laws is a very long document with a lot of redundancy throughout the document, and a lot of what is there should really be in the Associations Guidelines instead. The committee has decided that the major changes will be a complete revamp of the current structure that we will have to major work to change it. It was also decide that we will go on the proposal from the board to form a new Board.

Consisting of the elected officers:

President

Vice President

Secretary

Treasurer

Membership

Webmaster

Promotions

And one delegate from each of the member clubs.

This Board will meet 6 times a year, every other month.

**Harvest Hoedown**

Mark your calendars now for the 48<sup>th</sup> Annual ASDSC Harvest Hoedown, scheduled October 26 – 28, 2007 at the fairgrounds in Yuba City. Our featured callers this year are Betsy Gotta from Brunswick, NJ, Jim Hattrick from Vancouver, WA; Bronc Wise from Sweden and Northern California. Dennis Young from Corona, CA will be our featured caller for the New Dancer program, while Mark and Shelley Hilburn from Sebring, FL will be our featured cuers. Once again we will have several of our local callers and cuers on the program.

The tentative schedule of events for the weekend has been prepared, and both it and the registration flyer are available on the ASDSC website, [www.ASDSC.org](http://www.ASDSC.org). Flyers are also being distributed to the clubs today.

Vendors scheduled to return for 2009 are BC Limited/Hightower Badges, Cloud 9 Shoes, Mondiki, Square D Fashions and Swanson's Audio Video Productions. We do have a few spaces available so please contact Bob Kamuf or Bonnie Abramson (Chairmen) if you know of a business that would like to have a booth at the festival. Of course, we are pleased to have the return of BBQ Connection to prepare our Saturday night chicken and tri tip dinner, and the Worker Bees from the 2009 National Square Dance Convention who will offer breakfast, lunch and other tasty treats all weekend long.

The Saturday afternoon "mini-Blast Class" for people interested in trying square dancing will return this year, as will the intro to Round Dance class. The committee has decided to add an Intro to C1 session as part of this year's program. Another addition to the program will be a singles rotation, which Jerry Little has agreed to coordinate.

Our ads for the various square dance publications have been prepared and will be sent out soon. We have signed a host hotel agreement with the Best Western Bonanza Inn, so many of our preliminary tasks have been taken care of.

We still have committee positions available for people willing to decorate the Round Dance Hall, and both facilities assistant and hall monitor positions for the New Dancer Hall. If you are interested, please let Bob or Bonnie know.

Future meeting dates for 2007 are March 11<sup>th</sup>, July 15<sup>th</sup>, September 9<sup>th</sup> and October 14<sup>th</sup> following the respective ASDSC Board and/or Delegates meetings on those dates.

Respectfully submitted,  
Bob Kamuf and Bonnie Abramson
