**BLOOD DRIVE DIRECTORS REPORT**

**NAME: KERON WEISBART Date: March 11, 2007**

**I have stopped by the Blood Source Office twice. I now have the name of the person who is responsible for the reports. Blood Source has officially stopped doing the reports for clubs, however; they will do them on special request. I have telephoned the individual (with my special request) who is in charge of the department four times and she has not returned any calls. I now also have her manager's name and number and that will be my next step.**

**We have not received a report in over a year.**
