ASDSC BOARD MEETING April 22, 2007  
 Reporting period is 03/09/07 through 04/20/07

### **1-877-223-2378 Hot Line Announcement**

Hello! Thank you for calling the Associated Square Dancers of Superior California's New Dancer Hot Line. If you would like to leave us your name and number we will return your call as soon as we can and try and get you into a class close to you. If you have Internet access, we have a website that has a complete listing of all of the classes in the greater Sacramento valley. That website address is [www.ASDSC.ORG](http://www.ASDSC.ORG). Thank you for calling and have a wonderful day. Hope to see you in a square soon.

July 18, 2004, Board of Directors Meeting. Operation More in 2004, John Roloson: John questioned the status of the CD that is to be used for the Operation More in 2004 funds.

September 12, 2004, Board Meeting. John Roloson reported on the toll-free number. From September 5 to September 11 he received 66 calls. Unfortunately, 40 of them were hang-ups. Some of them were inquiring about other kinds of dancing or looking for a caller to do a demo. Twenty-six calls were justified, 3 were caller related. It cost the Association an average of \$111 per call for one week. John turned over the voice mail number to Steve and Pamela Swanson and he will transfer the contact name on the contract. A discussed was held concerning the amount owed the telephone company for the voice mail portion of the toll free number. Mitch moved that we pay the Operation More in 2004 voice mail bill for the balance of 2004 in one payment, Patti Brown seconded and the motion carried.
