New.....ROUND DANCE CLASSES

ROUND DANCE is a form of social ballroom dancing in which the steps are "choreographed" precisely to today's popular music, and those steps are announced by a "cuer", as we dance.

ROUND DANCE is very similar to "ballroom" dancing, and "guys" you don't have to think or memorize about what the next step is since the "cuer" will call it.

ROUND DANCE rhythms are the familiar rhythms, we all know such as --waltz, 2-step, foxtrot, cha-cha,rumba, and many more.

ROUND DANCING will give you the skills to feel more comfortable on the dance floor at weddings, and other parties where ballroom dancing is danced.

ROUND DANCING provides literally 30 or 40 different figures, rather than repeating the same 6 to 8 steps over and over that one usually learns in common dances. Nopel! No boring routine here.

WHAT OTHER hobby provides such richness, such mental and physical challenge, and at the same time allows you to hold a beautiful (or handsome) partner in your arms all the while.
