OFFICER REPORTS

President - Mitchell Cari

Bringing up to the Delegates

- State Council is moving fluid things from By Laws to Standing Rules.
- Provided us documents in February to look over.
- They suggested we act on the Standing Rules part.

Key Points of concern:

- Council is proposing to do away with the geographic boundaries
- Proposing to assign affiliates by 4 Vice Presidential areas instead of by geographic boundaries
- No restrictions to where the affiliate would be associated

Will present to Delegates that we take back to Council to propose a postponement of the change from geographic boundaries to Vice Presidential area until the By Laws are put together.

Motion: Provide President \$300 advance to pay for travel to May Council meeting in Ontario.

Jr. Past President – Mitch Cari, President presented for Bob Kamuf

By-laws committee update and requested input from Board to advise Committee –

Proposing trimming the Board down to:

Executive Committee
President
Vice President
Secretary
Treasurer
Fun Weekend Chairman
Harvest Hoedown Chairman
Membership
Webmaster

Board Members:
One representative from each club

Should the chairmen of Fun Weekend and Harvest Hoedown be voting members?
Both sides of committee views were presented.
Corky Bolin and Sue Regadanz presented positive statements affirming they should have voting rights.
Recommendation will be taken back to the Committee

Due to change in structure to expanding Executive Committee members, should anyone else other than President and Treasurer have Term Limits?
Discussion took place
Chris Zell and Denise Springer – presented limiting the number of positions with Term Limits is best because of reduced resources
Recommendation will be taken back to the Committee

Project to have By Laws to you for review in June so we can get this to Delegates in July
