A.S.D.S.C.

The Associated Square Dancers of Superior California (ASDSC) is a not-for-profit organization representing square dancers from a five county area of northern California. ASDSC is composed of 16 clubs and 497 dancers from the following Northern California counties: El Dorado, Nevada, Placer, Sacramento & Sutter

Our clubs encompass several different interest groups including Singles, Adult Couples, Youth and Families, Gay & Lesbian, and Developmentally Challenges (our Handicapable club.) Dance levels range from New Dancer through the Advanced level of Square Dancing; and Cued Ballroom Dancing. Most of our clubs meet weekly, many host special weekend dances with guest callers and cuers, and a few travel together as a group to square dance festivals or non-dancing related camping events and cruises.

ASDSC is a dancer run organization, with elected officers coming from within the membership of the organization. We work closely with local caller's and cuers, and with the California Square Dance Council.
