## **A.S.D.S.C.**

The Associated Square Dancers of Superior California (ASDSC) is a not-for-profit organization representing square dancers from a five county area of northern California. ASDSC is composed of 16 clubs and 497 dancers from the following Northern California counties: El Dorado, Nevada, Placer, Sacramento & Sutter

Our clubs encompass several different interest groups including Singles, Adult Couples, Youth and Families, Gay & Lesbian, and Developmentally Challenges (our Handicapable club.) Dance levels range from New Dancer through the Advanced level of Square Dancing; and Cued Ballroom Dancing. Most of our clubs meet weekly, many host special weekend dances with guest callers and cuers, and a few travel together as a group to square dance festivals or non-dancing related camping events and cruises.

ASDSC is a dancer run organization, with elected officers coming from within the membership of the organization. We work closely with local caller's and cuers, and with the California Square Dance Council.

Our organization also sponsors an annual festival, Harvest Hoedown, which is held the 4<sup>th</sup> weekend every Oct. in Yuba City, CA. This festival has dancing at all levels, including a special learn to square dance class on Saturday. Learn more about this fun filled weekend at [www.harvesthoedown.org](http://www.harvesthoedown.org).
